### 小六升中模擬面試 - 英文朗讀篇章

Hello. My name is Catherine. I am a S1 student. My best friend at school is Kitty. She is a class prefect. She is always helpful. She never forgets her homework. Kitty and I often practise basketball on Sundays. We like the same things – playing online games and shopping. We play football on Mondays and go swimming on Fridays. We belong to the Cartoon Club and we have meetings every Thursday after school. Our favourite subject is Integrated Science because we can do a lot of interesting experiments in the lessons.
