

(朗讀篇章)

Here is how I'm going to celebrate different festivals this year. For Chinese New Year, my family and I are going to buy peach blossoms and watch fireworks. Of course, we are also having a reunion dinner. I plan to eat lots of turnip cake!

The Cheung Chau Bun Festival is going to be fun too. I'm looking forward to trying ping on buns and vegetarian food. I think we will also watch the parade. At the Mid-autumn Festival, we will make our own lanterns and carry them around the park. Then at night, Mum will cook glutinous rice balls for us for dessert.
